Re: Collin County Farm Museum Blue Star Museum Congressional Record

On June 14th, 2012, Congressman Sam Johnson presented the Collin County Farm Museum with a Congressional Record and Flag that was flown over the Washington Capitol for our participation in the National Endowment for the Arts' Blue Star Museum program. This is the program that offers free admission to active duty military personnel and their families between Memorial Day and Labor Day.

Over 1,800 facilities nationwide participate, giving our nation's heroes and their families the opportunity to experience our country's rich history. The Collin County Farm Museum is one of two museums in Collin County participating in this program.

We will be available to answer any questions you might have regarding this matter.
